

Brighton Language College International - Our Mission

To be recognised as a leading provider of EFL training that is inclusive, inspiring, and stimulating.

Our Goals & Values

Students

- To ensure that every student progresses toward their educational goals in a supportive and positive environment.

Staff

- We are sensitive to different learner needs
- Be respectful of and responsive to the needs and expectations of our students
- Provide staff with opportunities for training and development

School

- Learning is a collaboration between student and teacher
- Our courses are stimulating
- Our courses are demanding. We help you to learn - we cannot learn for you
- Our courses are enjoyable. They are more effective that way
- To be fair, inclusive, ethical, responsible, and professional
- Promote core British values of democracy, individual liberty, and tolerance
- Follow good professional and business practice
- Provide a high-quality learning environment for students and staff

EFL Community

- People need to use English, not just study it
- Learning never ends
- Enhance the reputation of English language provision in the UK

Future Objectives

- Develop 12 Old Steine as BLCI's Family Learning Centre (Autumn 2024)
- Develop our Junior Vacation and Family Vacation in-house bookless course content across all levels to further improve the short-term learner experience (Summer 2024)
- Integrate 21st Century skills into all adult & junior courses to better prepare students for the global platform of English communication (January 2025)
- Improve and develop consistent high quality teacher training (January 2025)
- Establish the school as a CELTA centre (January 2025)
