

Policy Statement – Environmental

Brighton Language College International recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We will operate in compliance with all relevant environmental legislation, and we will strive to use pollution prevention and environmental best practices in all we do.

Therefore, our policy is to:

- Minimise the use of paper in the office.
- Seek to buy recycled and recyclable paper products.
- Reduce the amount of energy used as much as possible.
- Switch off lights and electrical equipment when not in use.
- Adjust heating with energy consumption in mind.
- Evaluate the environmental impact of any new products we intend to purchase.
- Favour more environmentally friendly and efficient products whenever possible.
- Make additional efforts to accommodate the needs of those using public transport or bicycles.
- Favour 'green' vehicles and maintain them rigorously to ensure ongoing efficiency.
- Use cleaning materials that are as environmentally friendly as possible.
- Use materials in any office refurbishment that are as environmentally friendly as possible.
- Communicate our environmental commitment to clients, customers, and the public.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Involve staff in the implementation of this policy.
- Provide staff with relevant environmental training.
- Continually improve and reduce environmental impacts.
- Measure our progress and review this policy on an annual basis.
